# MERRIDALE ANGUS 2023 SALE

FRIDAY 3<sup>RD</sup> MARCH 2023

1pm ON PROPERTY "MERRIDALE" TENNYSON - PETER COLLINS 0428 882 209

(1KM SOUTH OF TENNYSON POST OFFICE)

# Welcome

What a year! Plenty of rain and good cattle prices. Merridale genetics continue to feature in sales at Corryong, Euroa, Ballarat and various other weaner sales with great value for product. It has been great to observe the enormous prices offered for Merridale blood females right around Australia. This resonates with what our founders believed: if you breed good females, great steers and bulls are the result. We have got on offer a great display of bulls this year.

They exhibit great shape, good hind quarters and thickness all the way right down the top line with some terrific EBV's. This line up also is the product of some new and exciting genetics which suits the every year buyer. We wish you every success with your purchases and look forward to hearing about the benefits Merridale genetics has in your herd.

Thanks Peter Collins

What a way to start these ET heifers. A lovely soft, wedgy shaped female with ample depth and volumn. Her full brother is S104 who has been used all year as a yearling. Is a maternal sister to the Realist brothers. We just love the way this K74 Vicky cow is breeding. Depastured with CMDR72 from 7/7/22 to 19/9/22.
